

## **Graduate Student Council Administrative Policy Decision 02-06**

---

**Date:** 10/10/05

**Issue:** The previous and recently amended bylaws contain a clause which caps the number of executive board members that can be from the same department at three. The elected Vice President, Akshay Patil, comes from the MEEM department, which already has three executive board members.

**Resolution:** The Graduate Student Council approves the suspension of this rule in the bylaws for the current year (05-06) to allow Akshay Patil to serve in the capacity of the Vice President.
